EDUCATION

University of Portland – Portland, OR

Degree Expected: May 2025

B.S. Computer Science (GPA: 3.62)

Familiar Technical Skills and Coursework:

Java, C, Linux, Git, Windows, LaTeX, BlueJ, Android Studio

Data Structures, Object-Oriented Design

HTML, CSS, Javascript, VSCode, Figma, Github

Unix/Linux Laboratory

Coursework in Progress: Software Engineering, Internet of Things

PROJECTS

Personal Portfolio, Used: HTML, CSS, JavaScript, Git, Figma

Dec. 2022 - Jan. 2023

- Applied design and prototyping skills using Figma, as well as knowledge of programming fundamentals, to create a functional prototype of a project.
- Built quality responsiveness using media queries to ensure optimal viewing experiences across various devices and screen sizes.

Pomodoro App, Used: HTML, CSS, JavaScript, Bootstrap, Git, APIs

Nov. 2022 - Dec. 2022

- Implemented YouTube IFrame API for the first time in a personal pomodoro project, showcasing the steps on how to use the app.
- Demonstrated a solid understanding of MVC architecture through the successful implementation of the pomodoro technique.
- Utilized event listeners, variables, functions, and other programming concepts related to JavaScript.

Simon Says Game, Used: HTML, CSS, JavaScript

Sept. 2022 - October 2022

- Learned more about variables, promises, arrays, and functions in Javascript.
- Implemented randomly selected elements in array as indicators of the next concurrent tile with functions.

Stratego Game, Used: Java, XML, Git, UML Diagram

Nov. 2021 - May 2022

- Enhanced understanding and further implementation of computer AI with its application in player-turn based games through hands-on project development.
- Demonstrated strong proficiency in Git through the use of merge, push, pull, and commit commands in a collaborative project, with over 120 commits.
- Consistently ranked as a top team member for teamwork, receiving a 1st place ranking in 2 out of 3 group evaluations and earning a score of 100%+ for teamwork contributions.

Higher Education Resource Page, Used: HTML, CSS, JavaScript, Bootstrap

Sept. 2020 - May 2021

- Improved networking skills through outreach and collaboration with advisors and counselors.
- Created a fully responsive web page that incorporates all major groups that promote readiness for college education.

WORK EXPERIENCE

Popeyes Team Member (May 2022 - August 2022)

- Familiar with items in the POS cash register system and quickly adapt to newly added features.
- Provided 15-21 hours of service every week.
- Learned how to accommodate customers' needs with special deals and personal recommendations.

AWARDS

Recipient of Horatio Alger Scholarship (2021), President's Scholarship from the University of Portland (2021),

Recipient of Renaissance Scholarship (2021)
